

Plant Disease Clinic Home Grower Client Survey 2017

<https://www.ppws.vt.edu/extension/plant-disease-clinic.html>

- *In November 2017 an electronic Qualtrics survey was emailed to home grower clients who included an email address on their form and submitted a plant sample for diagnosis in 2017.*
- *Of 403 successfully delivered emails, 105 home grower clients responded to the survey (26% response rate).*

Virginia Cooperative Extension

By what means do you generally receive your Virginia Tech Plant Disease Clinic diagnostic report(s) (select all that apply)?

- electronically from my Extension office
- hard copy through the postal service from my Extension office
- results are communicated via a telephone call from my Extension office
- I experienced a problem with receiving a diagnostic report from my Extension office.
- other

What type of pesticides do you use?

The Plant Disease Clinic services:

The Plant Disease Clinic services:

The Plant Disease Clinic services help me implement alternative control tactics (those other than pesticides) in my home garden and/or landscape.

I value the services provided by the Plant Disease Clinic.
