

Plant Disease Clinic

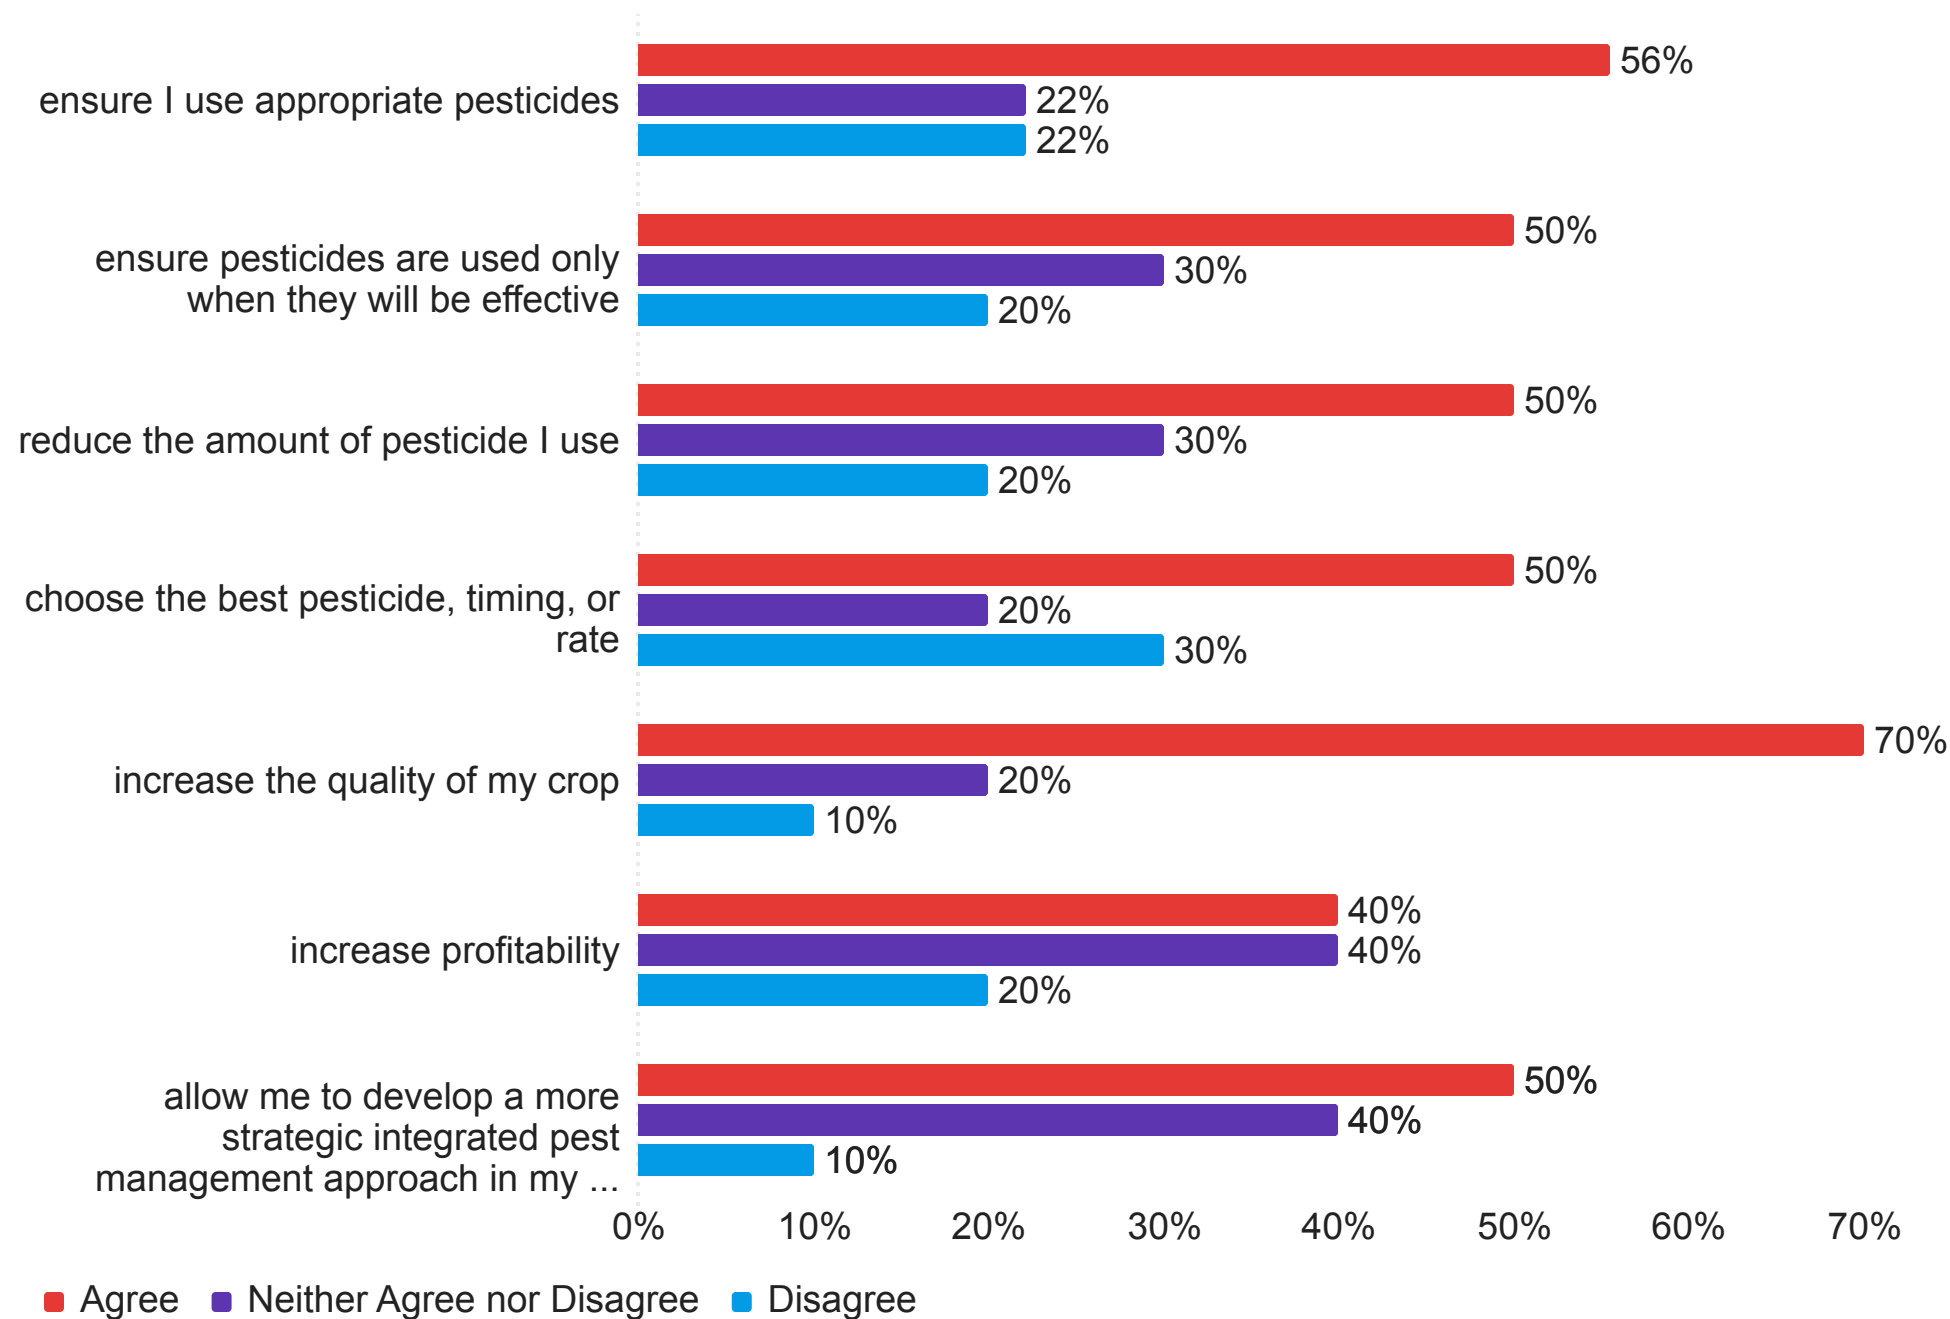

2024 Commercial Grower survey

In December 2024, an electronic Qualtrics survey was emailed to 78 clients who included an email address on their diagnostic form and submitted a plant sample in 2024.

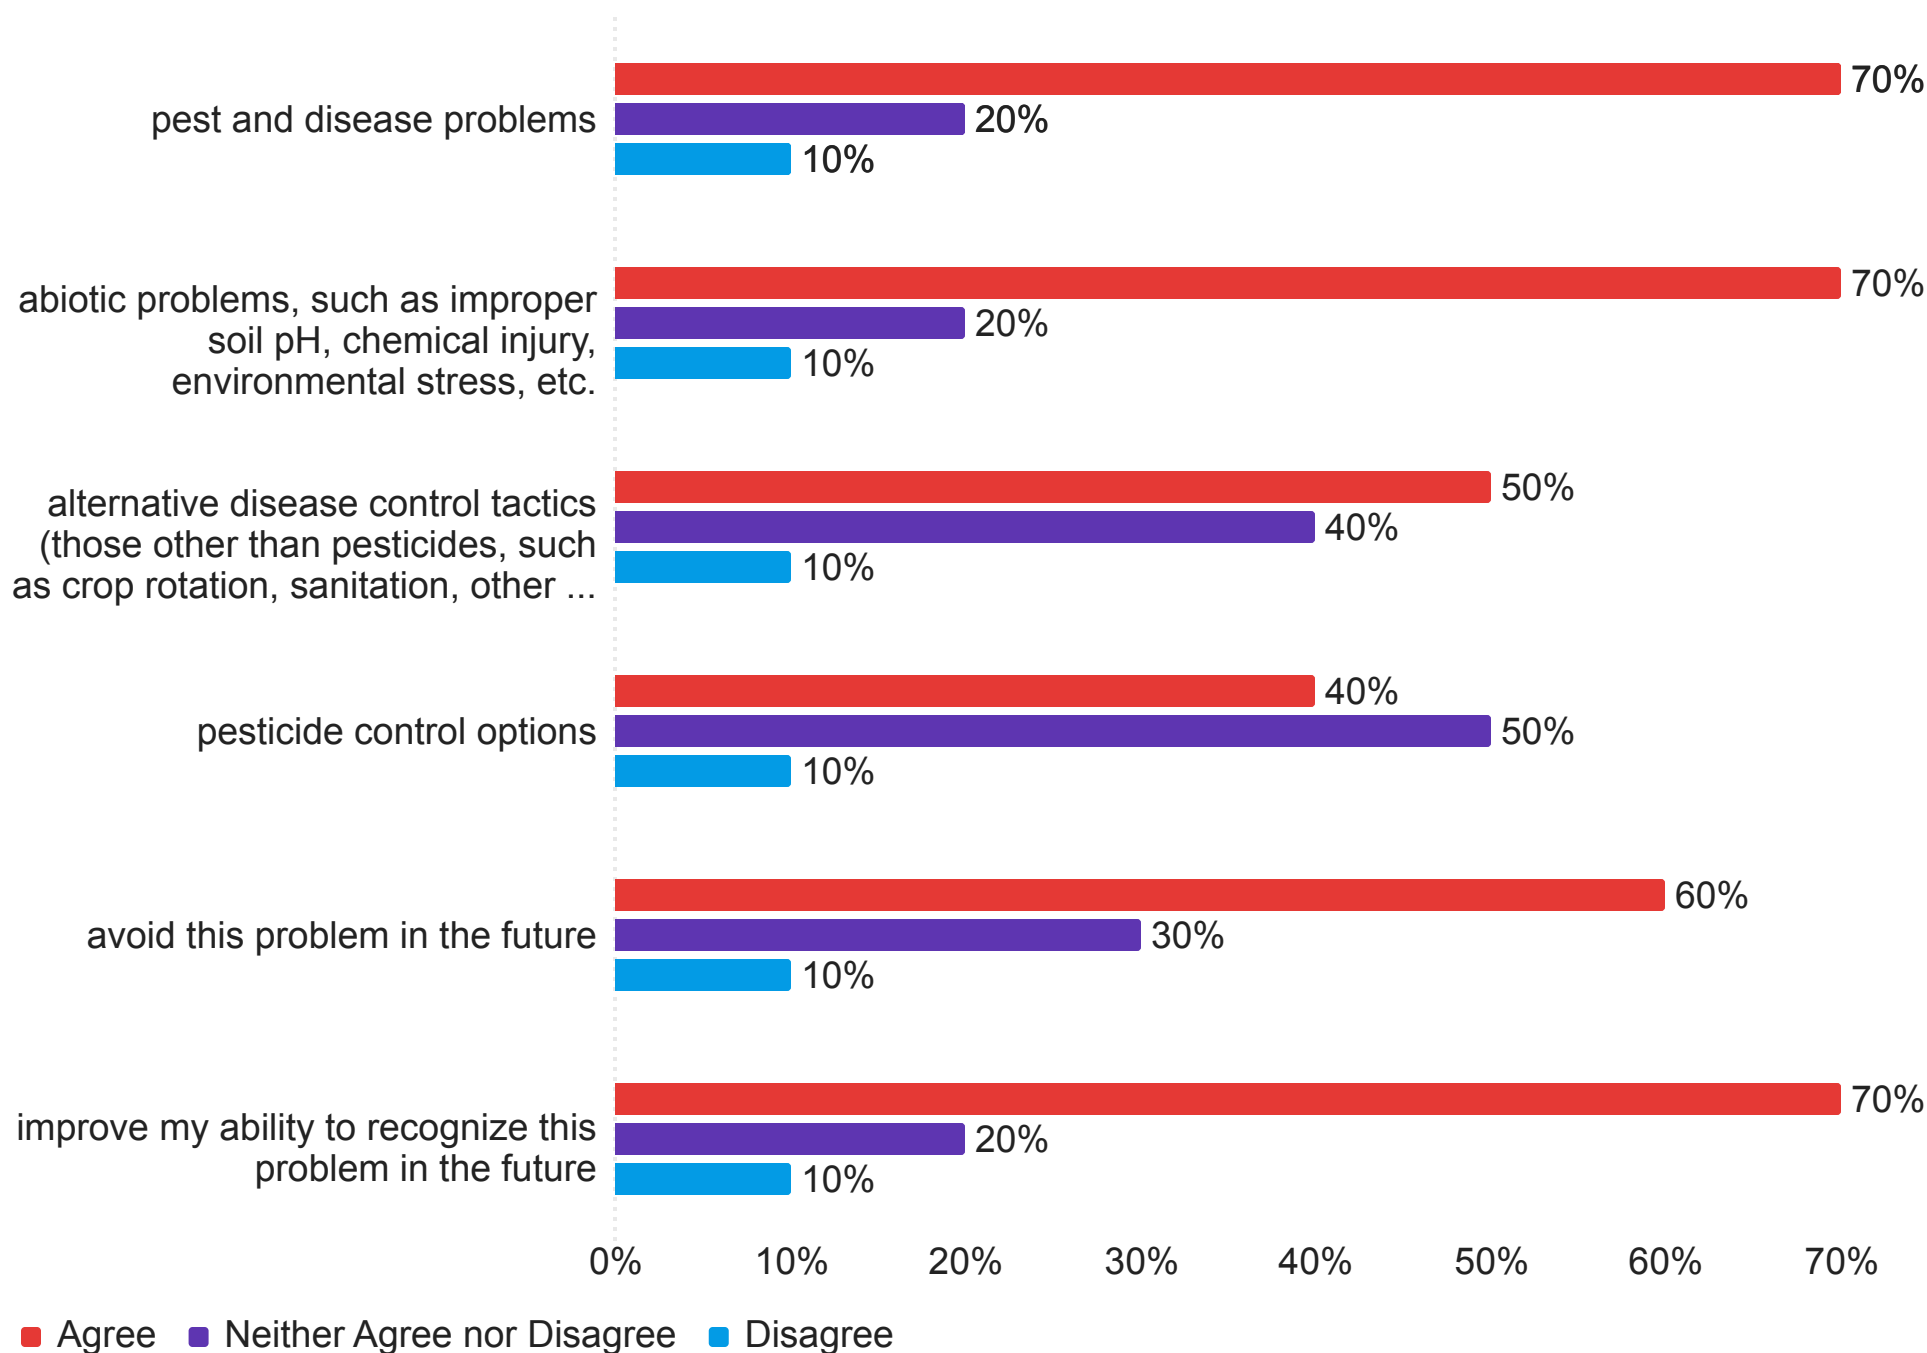

Of 78 successfully delivered emails, 11 clients responded to the survey (14% response rate).

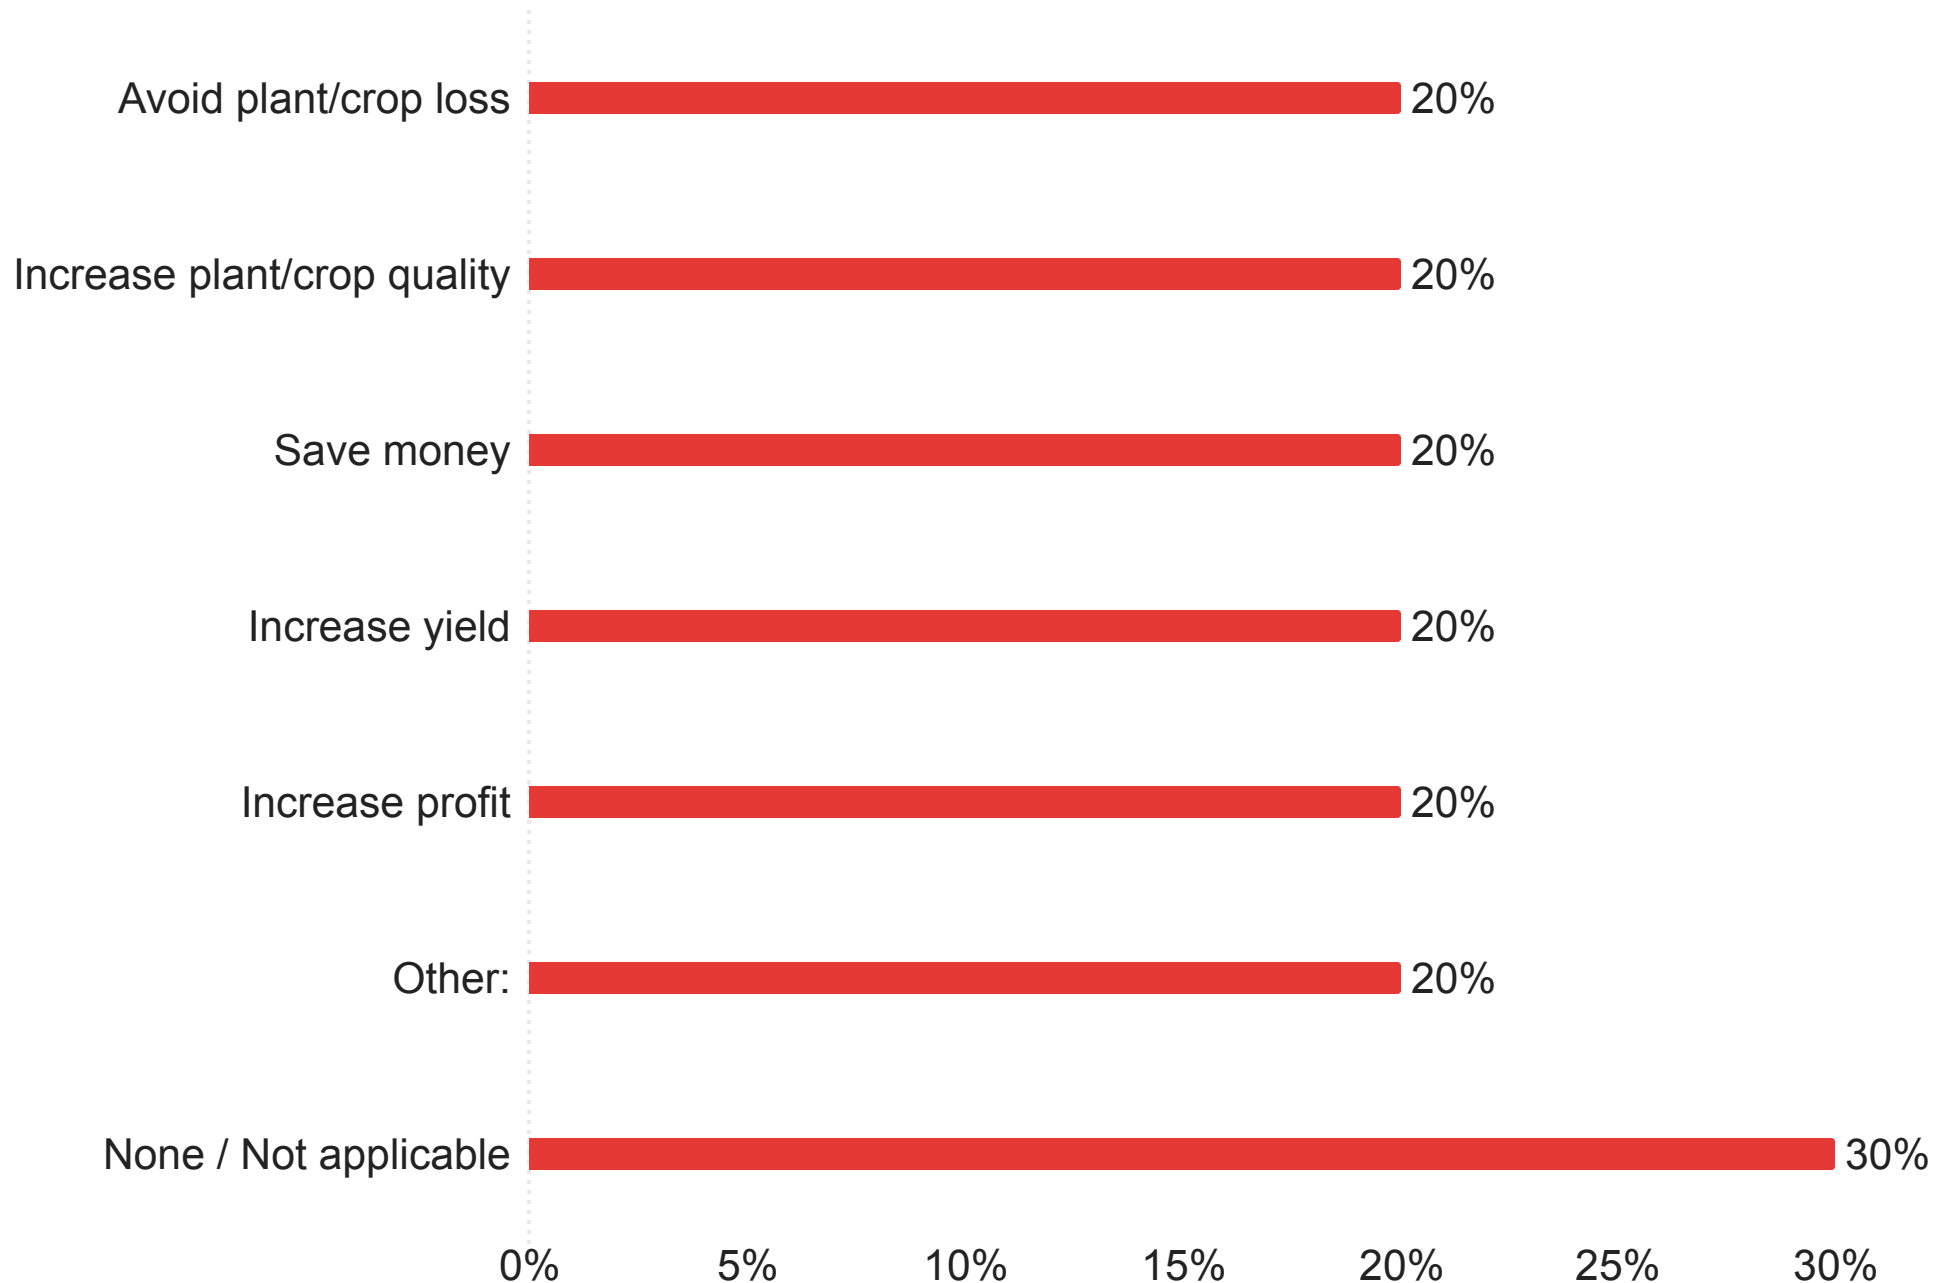

The VT Plant Disease Clinic diagnostic services :

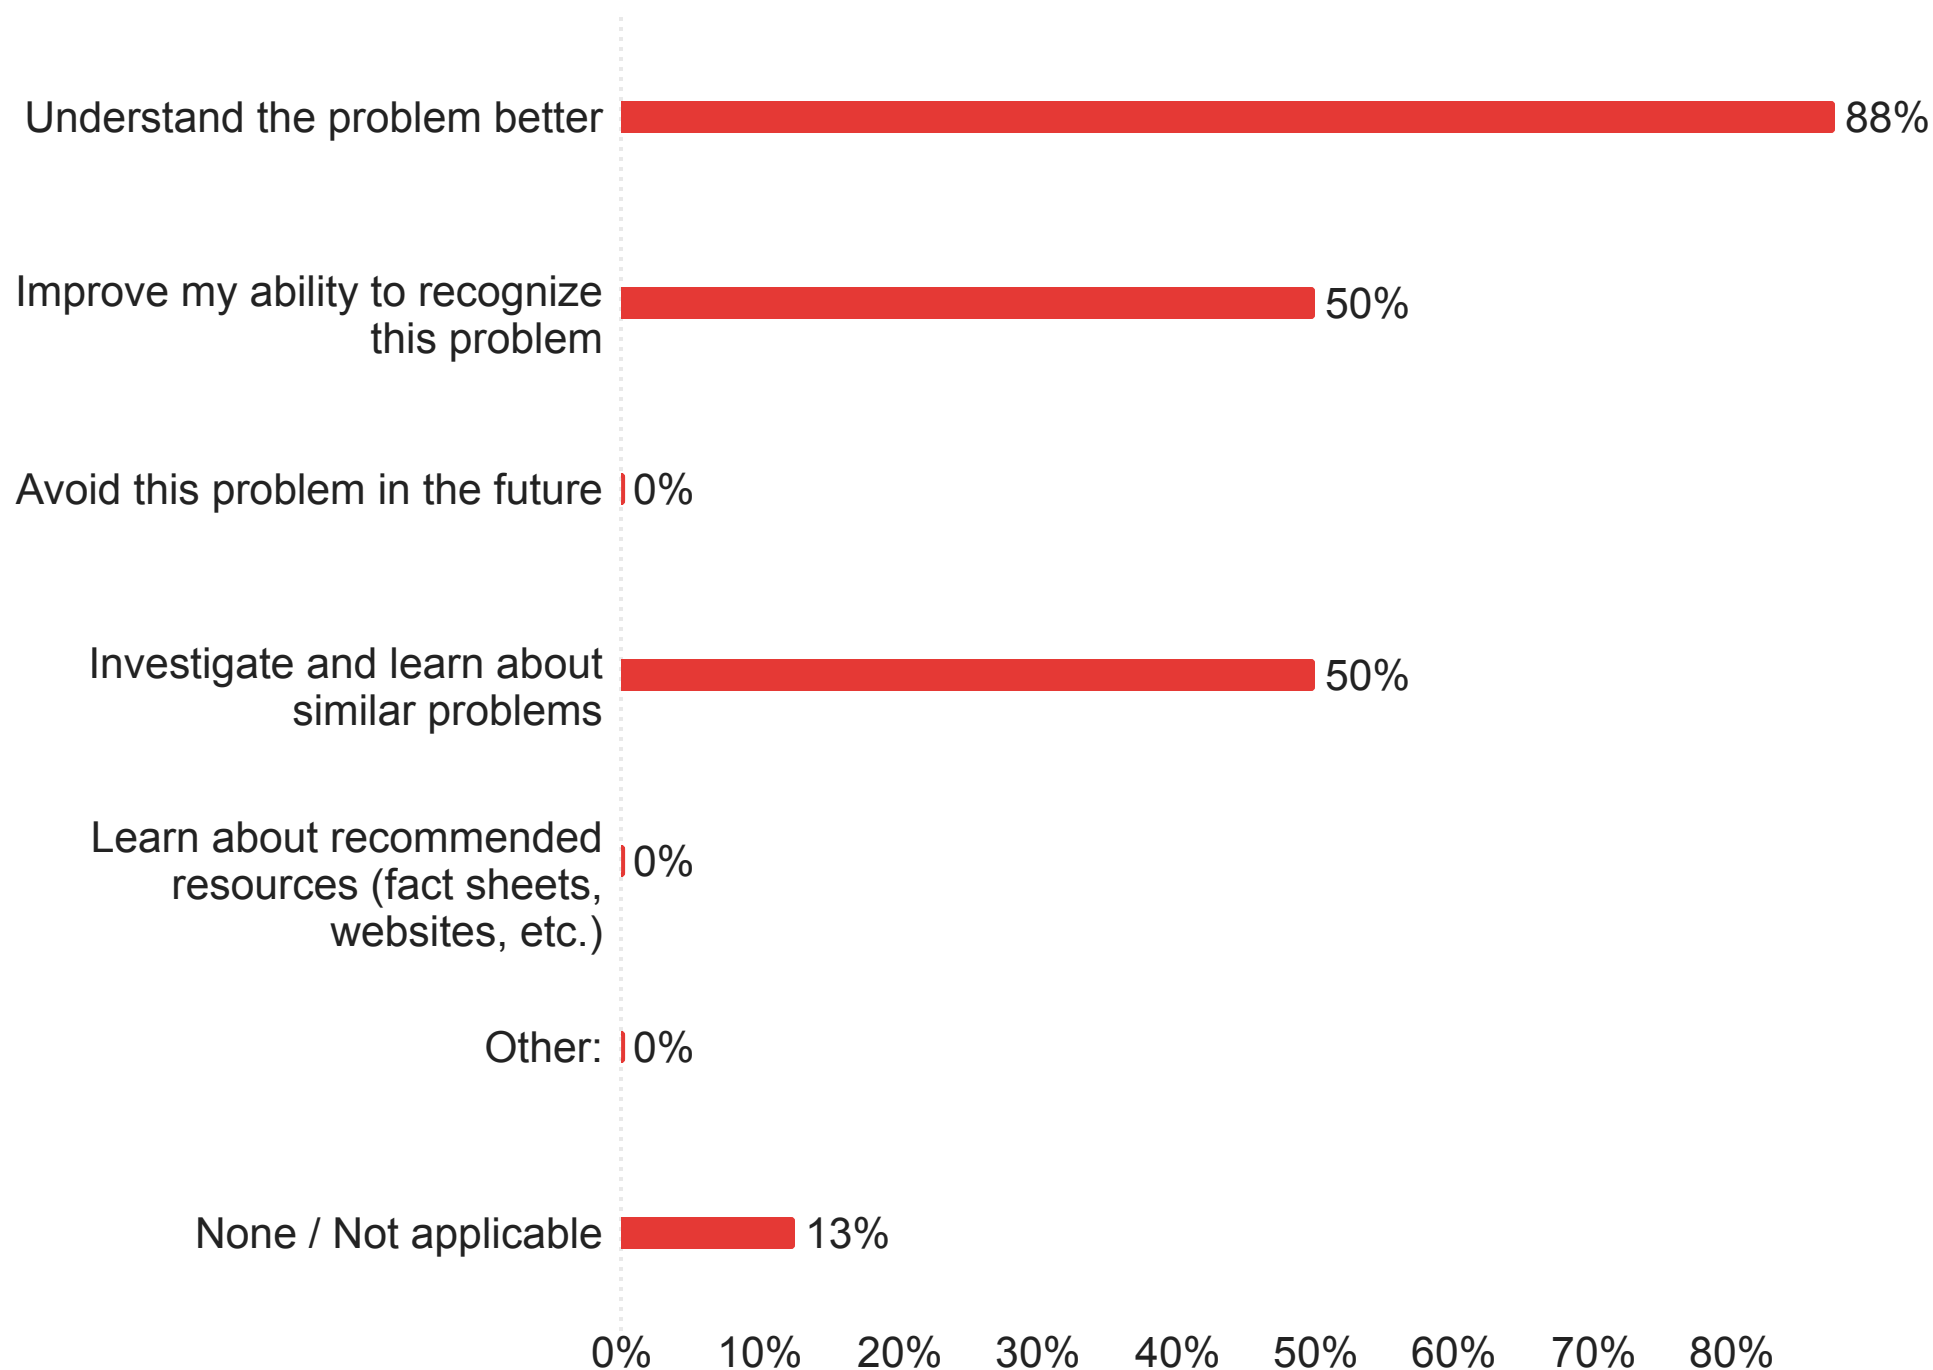

The VT Plant Disease Clinic diagnostic services increase my knowledge of:

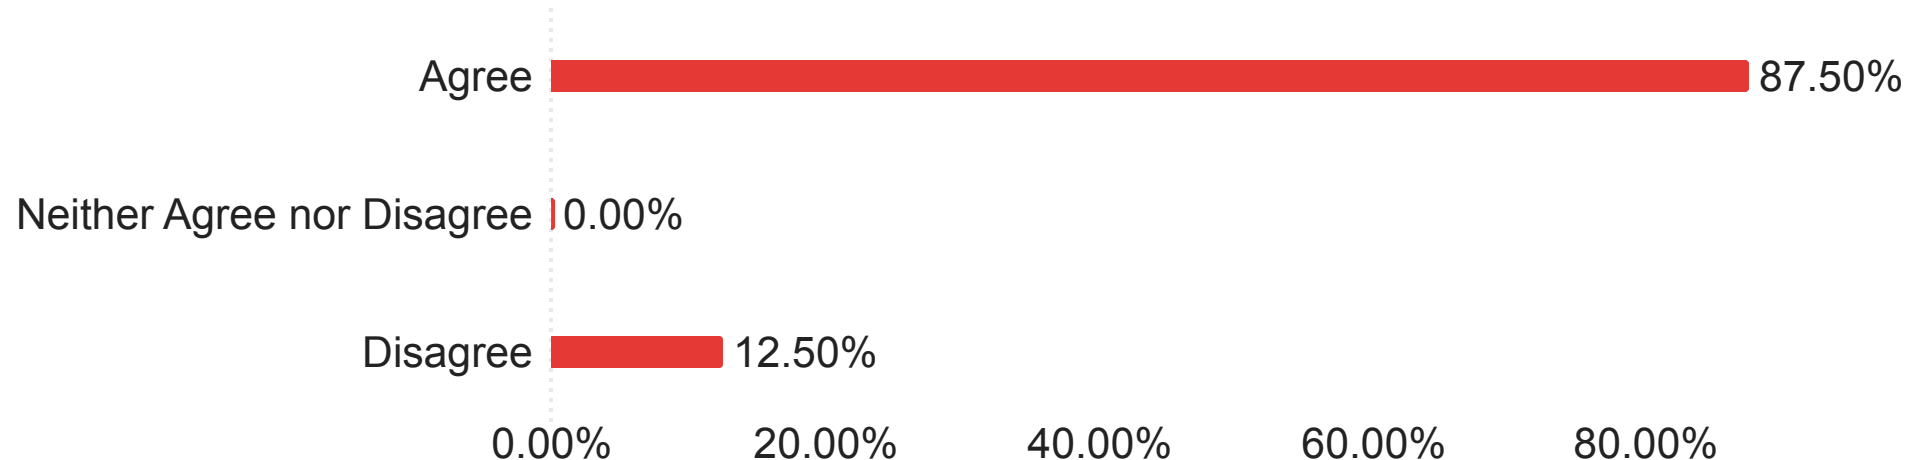

Q2 - As a result of applying recommended practices from The Plant Disease Clinic diagnostic services report, I was able to: (select all that apply) - Selected Choice

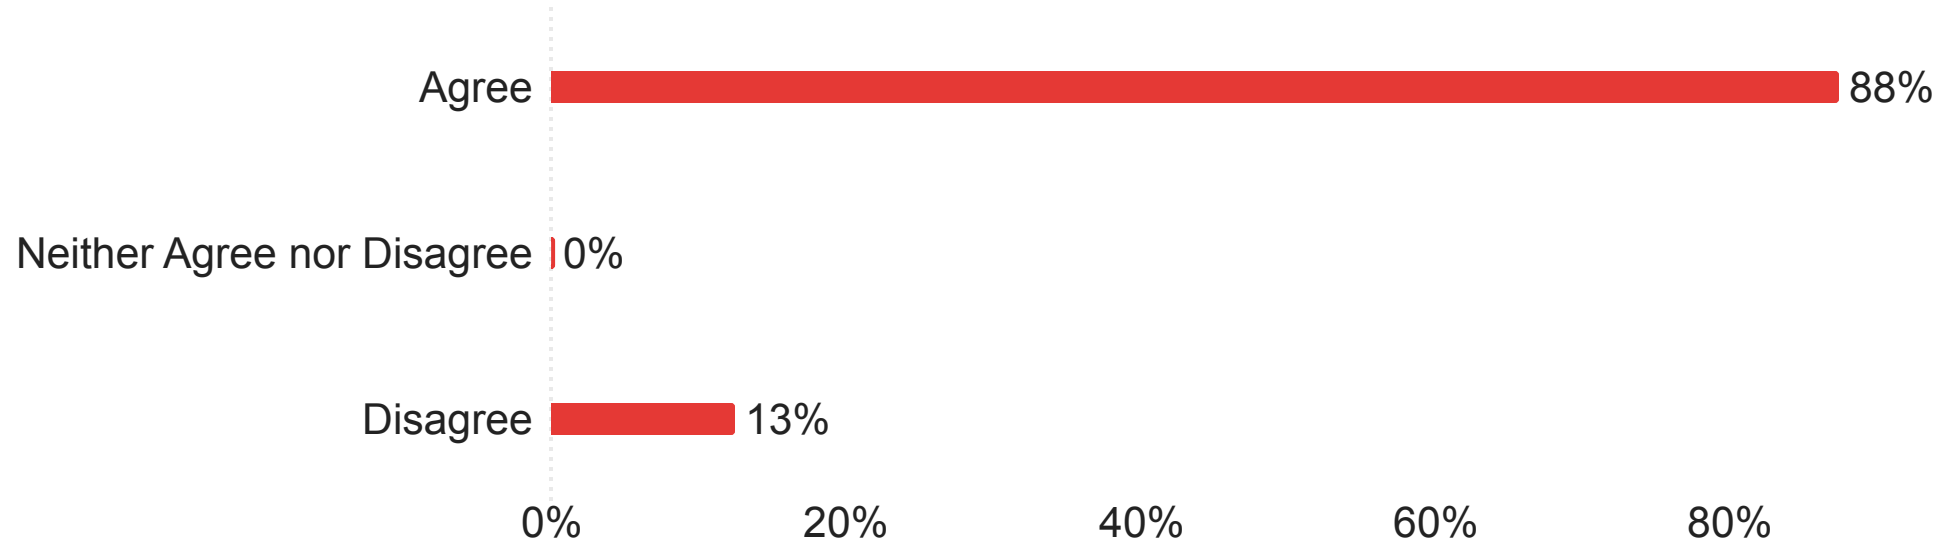

As a result of the VTPDC diagnosis, I was able to: (select all that apply) - Selected Choice

The VT Plant Disease Clinic diagnostic services ensure accurate diagnosis.

I value the services provided by the VT Plant Disease Clinic.

Please share any impact the VT Plant Disease Clinic diagnostic services have had on your operation and/or add any comments/suggestions that you may have for the Plant Disease Clinic: Be aware if you report any problem within the "comments" section of the survey, we don't have a way to know who to contact. Instead, please take the survey in your report and follow the instructions to contact us with specifics.)

I feared Boxwood Blight but relieved to understand the problem as primarily environmental stress

This is a really important service for farmers and commercial growers and we thank you for your guidance help and services

Lina Rodriguez Salamanca does a great job!
